In preparation for the sacrament, children and their families are asked to attend Mass. This is an important part of our faith and an opportunity for our children to know the Mass and connect wholly with our Lord. When our children see us valuing Mass then it too becomes a valuable experience for them. A Mass Card will be distributed with the work book. This Card should be presented after each weekend Mass to document your preparation.

Those parents who are able to, are invited to attend the celebration to support their child in the Church. Please feel most welcome to go to Reconciliation yourself at this time.
